SKILLS AND COMPETENCIES

Overall FFA knowledge.
Proven ability.
Organization and management skills.
Drive to be the very best

It is a huge blessing to be chosen to represent Area 1 in the highest stage.

West Texas and Area 1 have a huge spot in my heart from the crazy weather, fierce winds and the amazing people.

I am so blessed to be in the FFA where there is so much opportunity and room to grow and learn so many life lessons. I have gained some amazing memories while finding some lifelong friendships.

Thank you to my Plainview Chapter and the Plainview District for having enough faith in me to serve in this amazing position. I am so blessed, and I will not let you down.
