

Area I FFA Leadership Camp

Dress Code for Etiquette in the FFA

As part of our portion of camp entitled “Etiquette in the FFA”, Area I FFA Leadership Camp strives to provide a way for our FFA members, guests, presenters and ag teachers to maintain professional dress while still being camp comfortable. Maintaining a certain level of professionalism while at camp is part of our leadership training and was a recommendation for camp improvement. Uniformity in our dress will allow our presenters and campers to focus on the purpose for coming to leadership camp, which is training good leaders for the FFA. Please, no hats or caps inside the buildings of Clarendon College. Caps and hats may be worn at the dance and other appropriate outside events. Ag teachers, please be a good example for your students. Camp sponsored T-shirts will be passed out at the end of the evening for the next day’s events.

- **Do not bring any shirts or other attire with questionable logos. No garments advertising alcoholic beverages or tobacco products will be allowed. Sleeveless, backless or low cut shirts are a definite no-no. Please, no short shorts or skirts.**
